

Oracle Open World

SEPTEMBER 21 -25, 2008 | MOSCONE CENTER | SAN FRANCISCO

FCS – leaders in enterprise solutions with offices across the Globe and Development centers in India come up with cutting edge Solutions and Services to the Enterprises across varied industry segments. We bring together the best of breed solutions from our expertise in diverse product families.

FCS Retail Adapter

In today's world, the bulk of information exchange between retailers and manufacturers occurs through EDI files. FCS Retail Adapters reduces the cycle time between receiving an EDI file and supplying data to Oracle DSR, reducing cost and complexity of IT solutions while empowering Supply Chain managers to rectify inventory and order issues on time.
